1. The student has been declared ineligible for federal financial aid, based upon their affirmative answer to the Aid Elimination Provision on the Free Application for Federal Student Aid (FAFSA), by the University Office of Financial Aid. ***Or the student has been declared with AB540 undocumented status.***

THEREFORE BE IT FURTHER RESOLVED, that the ASUC recognizes that higher education should be equally accessible for all students, regardless of citizenship status; and,

A Bill in Support of a More Transparent and Accessible Elections Process

Authored by Former Senator Salahi, Former Senator Horning, Former Senator Ickowitz, Eric Raby

Sponsored by Senator Jorge Pacheco, Senator Jason Bellet, Senator George Kadifa

WHEREAS, Title IV, Article 1.2 currently states:

“Equal Protection

These by-laws are intended to ensure that each candidate is afforded an opportunity for election equal to that of any other candidate for that office...”; and

WHEREAS, Article VII, Section 6, Points A and B of the ASUC Constitution entitled “Campaign Finance” currently read:

“A. Executive Officer candidates and/or their parties which act in coordination with the candidate are allowed to spend up to \$1,000 on their ASUC campaign. Senate candidates and/or their parties which act in coordination with the candidate are allowed to spend up to \$200 on their ASUC campaign

B. These provisions must be administered by a member of the Elections Council.”; and

WHEREAS, the above clause allows Parties to spend money on behalf of the candidate; however, neither the above clause, nor the By-Laws, articulate a transparent methodology for any body to administer these expenditures; and

WHEREAS, the above Constitutional clauses set a precedent for limiting spending during campaigns, but does not articulate a cap on party spending; and

WHEREAS, Title IV Section 5.3 of the Elections By-Laws currently reads:

“5.3 Creation of a New Party

Any student who wishes to create a new party can become the Party Signatory of that party by being the first person to do one of the following.

1. Submit in person to the Attorney General, a written Party Registration Form. One copy of this form will be kept with the Attorney General, and a second copy must be made available to the registrant upon request.

2. Submit to the ASUC Senate a written Party Registration Form Upon receipt of this form, the chair shall announce receipt of the form which will then be entered into the minutes.”; and

WHEREAS, Title IV, Section 5.8, Number 1 of the By-Laws currently reads:

“5.8 Party Registration and Transfer of Party Signatory Forms

1. The Party Registration Form shall include the party name, the date submitted, the name and signature of the Party Signatory, and the signature of the Attorney General or Chair of the ASUC Senate (whichever receives the form).”; and

WHEREAS, the Elections By-laws (Title IV) currently enumerates the process for founding parties, but does not articulate a cap on party spending; and

WHEREAS, a Party, as defined in Article V Section 5.1, “is any group of two or more persons who mutually agree to use the same party name”; and

WHEREAS, notwithstanding that Party formation is an established method of organizing around common interests and, as such, is a democratic principle that cannot and should not be undermined, may, without any limitations in an ASUC elections campaign, begin to undermine that very same democratic principle; and

WHEREAS, a Party, under the current By-Laws, may collect unlimited amounts of money from unknown sources of funding including, but not limited to, its own membership dues, local business contributions, corporate sponsorships, etc.; and

WHEREAS, a Party, under the current By-Laws, may spend unlimited amounts of money on any materials or services related or unrelated to the ASUC Elections; and

WHEREAS, Parties, by virtue of their function, invariably benefit the candidates running under them since Party names are attached to these candidates on the Voter’s Guide, campaign materials, and voting ballots; put another way, a party, with or without explicitly mentioning a candidate’s name, ultimately advocate on behalf of said candidate; thus, unlimited utterances of party name creates unlimited (direct and indirect) references to party candidates; and

WHEREAS, these unchecked activities ultimately undermine the “Equal Protection” clause articulated above, because it places candidates who do not run with a Party at a severe economic disadvantage; these independent candidates face greater restrictions than candidates who

belong to parties that may spend unlimited amounts of money; thus the current structure provides an unfair advantage unto said candidates running with parties whose current finances go unchecked by the public and/or the ASUC due to the disproportionate access they have to campaign resources; and

WHEREAS, the mere presentation of receipts to a member of the Elections Council does not eliminate chances of underreporting or misrepresentation of expenditures; and

WHEREAS, United States Federal Laws regarding campaigns, titled Federal Election Campaign Laws, compiled by the Federal Election Commission already set a precedent for the motivations inhered within this bill, particularly the following clauses which read:

“The treasurer of a political committee shall

keep an account of—

- (1) all contributions received by or on behalf of such political committee;
- (2) the name and address of any person who makes any contribution in excess of \$50, together with the date and amount of such contribution by any person
- (g)...

(4) The Secretary of the Senate shall make the designations, statements, and reports received under this subsection available for public inspection and copying...and shall preserve such designations, statements, and reports...

...

(h) Campaign depositories; designations, maintenance of accounts, etc.; petty cash fund for disbursements; record of disbursements.

- (1) ...Each political committee shall maintain at least one checking account and such other accounts as the committee determines at a depository designated by such committee. All receipts received by such committee shall be deposited in such accounts. No disbursements may be made (other than petty cash disbursements under paragraph (2)) by such committee except by check drawn on such accounts in accordance with this section.”¹; and

WHEREAS, the Federal Law cited above need not be fully emulated, but rather serves as proof that this idea is historically grounded and therefore warrants thoughtful and objective analysis in its implementation in the ASUC system;

THEREFORE BE IT RESOLVED, that there be a Section 7.14 added to Title I, Article VII to read:

“7.14 Special Committee on Election Finances

ARTICLE XVIII – PARTY SPENDING

Sponsored by: EAVP Shahryar Abbasi, Senator Jeff Ma, Senator George Kadifa, Senator Rosemary Hua, Senator Mihir Deo, Senator Chen-Chen Huo, Senator Emily Chen, Senator Ryan Kang, Senator Klein Lieu

WHEREAS, Spring 2012 ASUC Senate Bill 139 resolved that “the ASUC will take up whether to endorse the City Council’s Charter reform measure once it has been finalized;” and,

WHEREAS, the finalized charter reform measure, Measure R, is a significant step towards modernizing Berkeley’s redistricting process; and,

WHEREAS, in 1986, the lines drawn for the current districts deliberately gerrymandered students into four different districts and inhibited student voice;; and,

WHEREAS, in accordance with the aforementioned clause, the full ASUC Senate must vote on whether or not to endorse Measure R; and,

WHEREAS, Measure R does away with cumbersome, arcane and unfair rules regarding redistricting; and,

WHEREAS, these rules limit the ability of Berkeley to attain fair district boundaries that ensure equal representation for all Berkeley residents; and,

WHEREAS, Measure R could ensure an enhanced student voice in Berkeley politics; and,

WHEREAS, Measure R ensures that all communities of interest, not just students, can be granted their due representation at the city level; and,

THEREFORE BE IT RESOLVED, that the ASUC endorses Measure R; and,

BE IT FINALLY RESOLVED, that should Measure R pass in the November 2012 election, the ASUC will participate in drafting an ASUC-endorsed redistricting proposal that ensures representation of the students by drawing a student district.

A BILL IN OPPOSITION TO MEASURE S

Authored By Senator Nolan Pack, Elizabeth Hennes, and Caitlin Quinn

Sponsored by Senator Nolan Pack, Senator Sidronio Jacobo, Senator Klein Lieu, Senator Megan Majd, Senator Donna-Jo Pepito, Senator Daley Vertiz, Elizabeth Hennes, Caitlin Quinn

WHEREAS, Measure S is a deeply misguided November 2012 ballot measure in the City of Berkeley that would criminalize sitting or laying on many city sidewalks between the hours of 7AM and 10PM; and,

WHEREAS, the Berkeley City Council voted 6 to 3 in favor of placing Measure S on the 2012 Ballot; and,

WHEREAS, the homeless youth center is closed for six months out of the year, offering no services or daytime drop in area for the city's homeless youth; and,

WHEREAS, the adult homeless shelter is open only at night; and,

WHEREAS, these deficits in the city's homeless services make sitting on city sidewalks during daytime hours the only option for many of Berkeley's homeless residents; and,

WHEREAS, Measure S would criminalize sitting on city sidewalks during the exact hours that these deficits in homeless services leave sitting on sidewalks as the only option; and,

WHEREAS, the criminalization of such an innocent and biologically necessary behavior is both inhumane and unreasonable;

WHEREAS, all of the problematic behaviors cited by proponents of Measure S are already illegal, making Measure S a dramatic overreach that would criminalize a harmless behavior; and,

WHEREAS, laws like Measure S have historically been enforced in a discriminatory fashion and thus opposed the American Civil Liberties Union and other organizations concerned with the preservation of basic freedoms; and,

WHEREAS, previous iterations of this ordinance in the Cities of San Francisco, California, and Portland, Oregon, and other major cities have been found unconstitutional as enforced and struck down in whole or in part for violations of First, Fifth, and/or Eighth Amendments to the United States Constitution; and,

WHEREAS, 40% of homeless youth identify as lesbian, gay, bisexual, or trans while only 4% of Americans identify as lesbian, gay, bisexual, or trans, demonstrating an extremely

disproportionate representation of queer folks in the homeless population; and,

WHEREAS, the passing of the ballot initiative would clearly impact the most vulnerable of Berkeley's queer community specifically, and conflict with the message of Berkeley's recently adopted "Bisexual Pride Day"; and,

WHEREAS, the proponents of this measure suggest that it would enable or encourage the city's homeless population to obtain services more readily, while in actuality, enforcement of the measure will block them from accessing the very services intended to help them by issuing citations and/or bench warrants to them; and,

WHEREAS, a bench warrant prevents a person from accessing homeless services such as housing, and continues to push said person towards the prison-industrial complex, further crowding California's prison system with individuals who

WHEREAS, the 2011-2012 ASUC Senate class voted overwhelmingly to oppose a version of this measure when it came up during their term; and,

WHEREAS, last year, large numbers of students successfully organized against the proposed ordinance and helped to keep it off the ballot; and,

WHEREAS, the Berkeley City Council's vote, which took place during U.C. Berkeley's summer session, was timed to preclude the same level participation from U.C. Berkeley students and prevent the 2012-2013 Senate class – which had not yet assumed office – from taking a stance on the issue as the 2011-2012 class had; and,

WHEREAS, the 2012-2013 ASUC Executives sent a letter to Mayor Tom Bates expressing opposition to both the timing and nature of the measure before it was placed on the ballot by a vote of the City Council; and,

THEREFORE BE IT RESOLVED, that the ASUC firmly oppose Measure S in the City of Berkeley; and,

BE IT FURTHER RESOLVED, that the ASUC oppose analogous laws in other municipalities, and denounce the spirit of sit-lie laws.
